

I enclose herewith a consent form for release of personal details and release of a questionnaire which was completed on behalf of this patient..

The reason we require the consents to be signed is in order to pass this information on to the police in order to assist them with their enquiries.

Please fax the information back to us on 01229 491109. If you have any further queries please contact us at the public health incident room on 01229 491077.

Dr. J. Astbury,
Consultant in Health Protection Unit
